

Belmont

From its radiant surface luster to its natural grain complexion to its smooth, soft hand, our Belmont article is a designer's dream. Profoundly attractive, Belmont is a vacuum-dried aniline leather with a water-resistant clear coat for added sustainability. With colors ranging from conventional to lively, including showstopping shades of Aqua and Limonite, it's no wonder why Belmont is a true fan favorite.

Hide Origin	Europe

- 50 – Complete wetting of the entire specimen face beyond spray points
- 0 – Complete wetting of the entire face of the specimen

CARE & CLEANING

Routine dusting or vacuuming is encouraged. To add luster and longevity, rotate article periodically and avoid direct sunlight. For spills, gently blot area with cloth or sponge without applying force. If needed, dampen cloth or sponge with warm water. Do not use a hair dryer. Do not use saddle soap, solvents, oils, polishes, varnishes, detergents, bleach or ammonia.
