

Black Forest

“The woods are lovely, dark and deep.” So wrote the famed poet, Robert Frost, and we couldn’t agree more. Offered in woodland shades of black, sandalwood, dark brown and grey, our Black Forest article is testament to beauty and comfort. Like nature itself, Black Forest is a pure, full grain leather untrammelled by embossing or other pattern-inducing techniques. A soft hand and water-resistant matte finish complete the ensemble.

- 70 – Partial wetting of specimen face beyond spray points
- 50 – Complete wetting of the entire specimen face beyond spray points
- 0 – Complete wetting of the entire face of the specimen

CARE & CLEANING

Routine dusting or vacuuming is encouraged. To add luster and longevity, rotate article periodically and avoid direct sunlight. For spills, gently blot area with cloth or sponge without applying force. If needed, dampen cloth or sponge with warm water. Do not use a hair dryer. Do not use saddle soap, solvents, oils, polishes, varnishes, detergents, bleach or ammonia.
