

Chinkapin

The Pacific Northwest is famous for its natural wonders, including the giant chinkapin tree of western Oregon. Our Chinkapin article embraces organic beauty right down to its full grain texture. The placid and sheened surface looks luminous in spite of the dark color palette. Soft, durable and resilient, Chinkapin is an inspired choice for sofas, banquettes and other active furniture.

Hide Origin	Europe
Country Finished	Italy
Average Hide Size	50 SF
Thickness	1.0-1.2 mm
Dye Method	Aniline
Finish	Bayer® Protective Top Coat
Light Fastness (EN ISO 105-B02)	5

IMO 2010 Part 8 [IMO RES. A652 (16)]	
Smoldering Cigarette (3.1)	Passes
Propane Flame (3.2)	Passes

The Bayer® protective top coat repels water and oil while not changing the look or feel of leather. It is added during the finishing process in our ISO 9001 Italian facility, which adheres to the strictest sustainability standards in Europe.

CARE & CLEANING

Routine dusting or vacuuming is encouraged. To add luster and longevity, rotate article periodically and avoid sunlight or areas that routinely get wet.

For spills, gently blot area immediately with a cloth or sponge without applying force. If needed, dampen cloth or sponge with warm water. Do not dry with a hair dryer. Do not clean with saddle soap, solvents, oils, polishes, varnishes, detergents, bleach or ammonia.
