

## Cuba

With its 3,000 miles of Caribbean coastline, Cuba is teeming with sea turtles, crocodiles and other aquatic life. Our Cuba patent leather features a reptilian-inspired pattern with pearlescent base, distinctive trench lines and glossy finish. The leather is first embossed on the crust side to create the raised surface. Then, a clear solution is applied and baked on, resulting in a glazed and durable article with unique flair.

**SPILLTOP** leather is rated 90-100 with minimal-to-no sticking or wetting of the article's surface.

- 100 – No sticking or wetting of specimen face
- 90 – Slight random sticking or wetting of specimen face
- 80 – Wetting of specimen face at spray points
- 70 – Partial wetting of specimen face beyond spray points
- 50 – Complete wetting of the entire specimen face beyond spray points
- 0 – Complete wetting of the entire face of the specimen

### CARE & CLEANING

Routine dusting or vacuuming is encouraged. To add luster and longevity, rotate article periodically and avoid direct sunlight. For spills, gently blot area with cloth or sponge without applying force. If needed, dampen cloth or sponge with warm water. Do not use a hair dryer. Do not use saddle soap, solvents, oils, polishes, varnishes, detergents, bleach or ammonia.
